

## Bang Away Threatening Record After Victory in Boxer Group

By the Associated Press  
NEW YORK, Feb. 12.—Ch. Bang Away of Sirrah Crest hasn't even won the 1952 edition of the Westminster Kennel Club dog show, but they're already hauling out the record books and comparing the great boxer with the top dogs in the breed of the past.

Bang Away, owned by Dr. and Mrs. R. C. Harris of Santa Ana, Calif., has won 55 best in all-breed competition. The present mark is held by Ch. Mazelaine's Zazac Brandy, the 1949 Westminster winner.

"I can't see how Bang Away can fail to break Brandy's record," said Max Riddle of Cleveland, the well known all-breed judge, who watched Bang Away go through his paces to the top of the boxer class in Madison Square Garden last night.

"Furthermore, I'll be very surprised if the dog doesn't come out first in the final. I personally gave Brandy two best-in-shows, but I think Bang Away has him beaten."

**Bang Away in Best Trim.**  
"When Brandy was in the ring, the judge had to feel it before the quality showed up. With Bang Away, you can see the class all over the dog. I didn't see another dog that could even approach Bang Away."

That's high praise for a dog that won't be 3 years old until next Sunday. But Nate Levine, Bang Away's handler, warned before the show that it would take a really great dog to beat the California-owned boxer. Levine said his charge was in the best shape of his career.

But it won't be all peaches and cream for the champion. There are several dogs still in the running that could win it if they're at their best.

No. 1 among the threats is Captain Speck, the liver and white

pointer which won the sporting group last year. This dog actually attracted the attention of the judges in the final almost as much as Bang Away did in '51.

**Challengers for Title.**  
Furthermore, Capt. Speck was the only group winner from last year to repeat in its breed besides the titleholder, Ch. Carlene Once, a toy poodle that won the toy group, and Ch. Foxbank Entertainer of Harham, a wire fox terrier that won the terrier group, are on the outside looking in.

Carlene Once was whipped by Smilstone's Fancy Fee, a dog that hasn't even won its championship yet, while Entertainer took a back seat to Ch. Wyette Wyns of Truecoat, a dog that went best-in-show at the Rumson (N. J.) show last year, beating Bang Away in the process.

Another dog that has a victory over Bang Away—Ch. Rock Falls Colonel, an English setter—also still is very much in the running for the sporting group award.

The show ends tonight.

### Two Capital Area Dogs Score in Westminster

Two dogs from the Washington area scored good victories in the Westminster show yesterday.

Bianart Black Queen, Scottish terrier owned by Mrs. Philip McMahon of Alexandria, was best of opposite sex to finish her championship. The best-of-breed award went to Ch. Gold Finder's Admiral of New York, a successful campaigner for two years.

Also finishing a championship was Woodcutter of Woodlawn, owned by George E. Luther of Silver Spring, who was best of winners among the boxers, the breed in which Bang Away was tops. The day before, Woodcutter won the open class in the American Boxer Club's specialty show.

## East's Fine Team Play Stops West's Stars In Pro Cage Classic

By the Associated Press  
BOSTON, Feb. 12.—Superior team play told the difference as a sharp-shooting Eastern squad took the measure of a favored Western club, 108-91, in last night's second annual National Basketball Association All-Star game at Boston Garden.

The Easterners combined speedier ball handling and better playmaking with letter-perfect rebounding against the ruggedly built giants from the West, who were led by the 6-10 George Mikan of Minneapolis.

This was the East team's second 17-point victory in this hoop "dream game" (last year the margin was 111-94). Six of the East's 10-man team hit for double figures.

Paul Arizin, the 6-5 Philadelphia Warriors' standout, won the outstanding player award. The Villanova alumnus tied Mikan for individual honors with 26 points and was a powerhouse under the backboards.

**Mikan Keeps West in Game.**

Mikan's efforts kept the West within hailing distance in the first half, but the East was in front at intermission, 49-44. Although both sides by the good guarding job turned in by Easy Ed Macauley of Boston, big George hit for 13 points in that first half.

The East, which built an 11-point advantage after three quarters, 82-71, had its worst moments in the first four minutes of the finale. The West pulled up to a one-point deficit at 86-85, before Arizin and the playmaking Bob Cousy spearheaded a stretch drive.

The West managed to hit on only 37 of 103 shots from the floor while the East sang 39 of 77—better than 50 per cent. Leo Barnhorst of the Indianapolis Olympians was the Western runnerup to Mikan with 14 points, all on towering sets.

For the Eastern aces the five other double-digit scorers were Macauley (15), Red Rocha of Syracuse (12), Max Zaslofsky of New York and Andy Phillip of Philadelphia (11 apiece) and Freddy Scolari of Baltimore (10).

**Cousy Sets Assist Mark.**  
Cousy, Phillip, Dick McGuire of New York and Scolari gave the great backcourt strength and Cousy—set a new mark for this classic in the vital assists department with 13.

### No. 29 Easy for Smith In Bout With Ramos

Luis Ramos was a last-minute substitute for Clint Miller in the main-event fight last night at Turner's Arena and he was just a number to Gene Smith.

Smith kept his professional boxing winning streak going, making Ramos No. 29, and his 23rd by a knockout. The District fighter, who ended the scrap with a series of short lefts and rights to the face at 1:52 of the third round.

Ramos, a 30-year-old New Yorker who wasn't signed for the bout until early yesterday afternoon, was a flat-footed swinger who tried to make a fight of it, but who didn't have the speed or ammunition. The District youngster danced around him, picked his spots and chopped away at him. Ramos' lip was cut in the first round, he was banged around pretty generally in the second, then finished off.

Despite the uncertainty about whether there would be a match, a fair crowd of 1,400 was at hand. The eight-round semifinal was a close one, with Featherweight Eddie Gilchrist getting a decision over Coffee Wilkinson. A flyweight underweight went to Lightweight Jackie Thornton over Frankie Lane and Welterweight Neaman Peck defeated Roy Wirt in four rounds.

Don Webber, Roanoke featherweight, won on a technical knockout over Syl Temple, when Temple was unable to answer the third-round bell because of a cut eye.

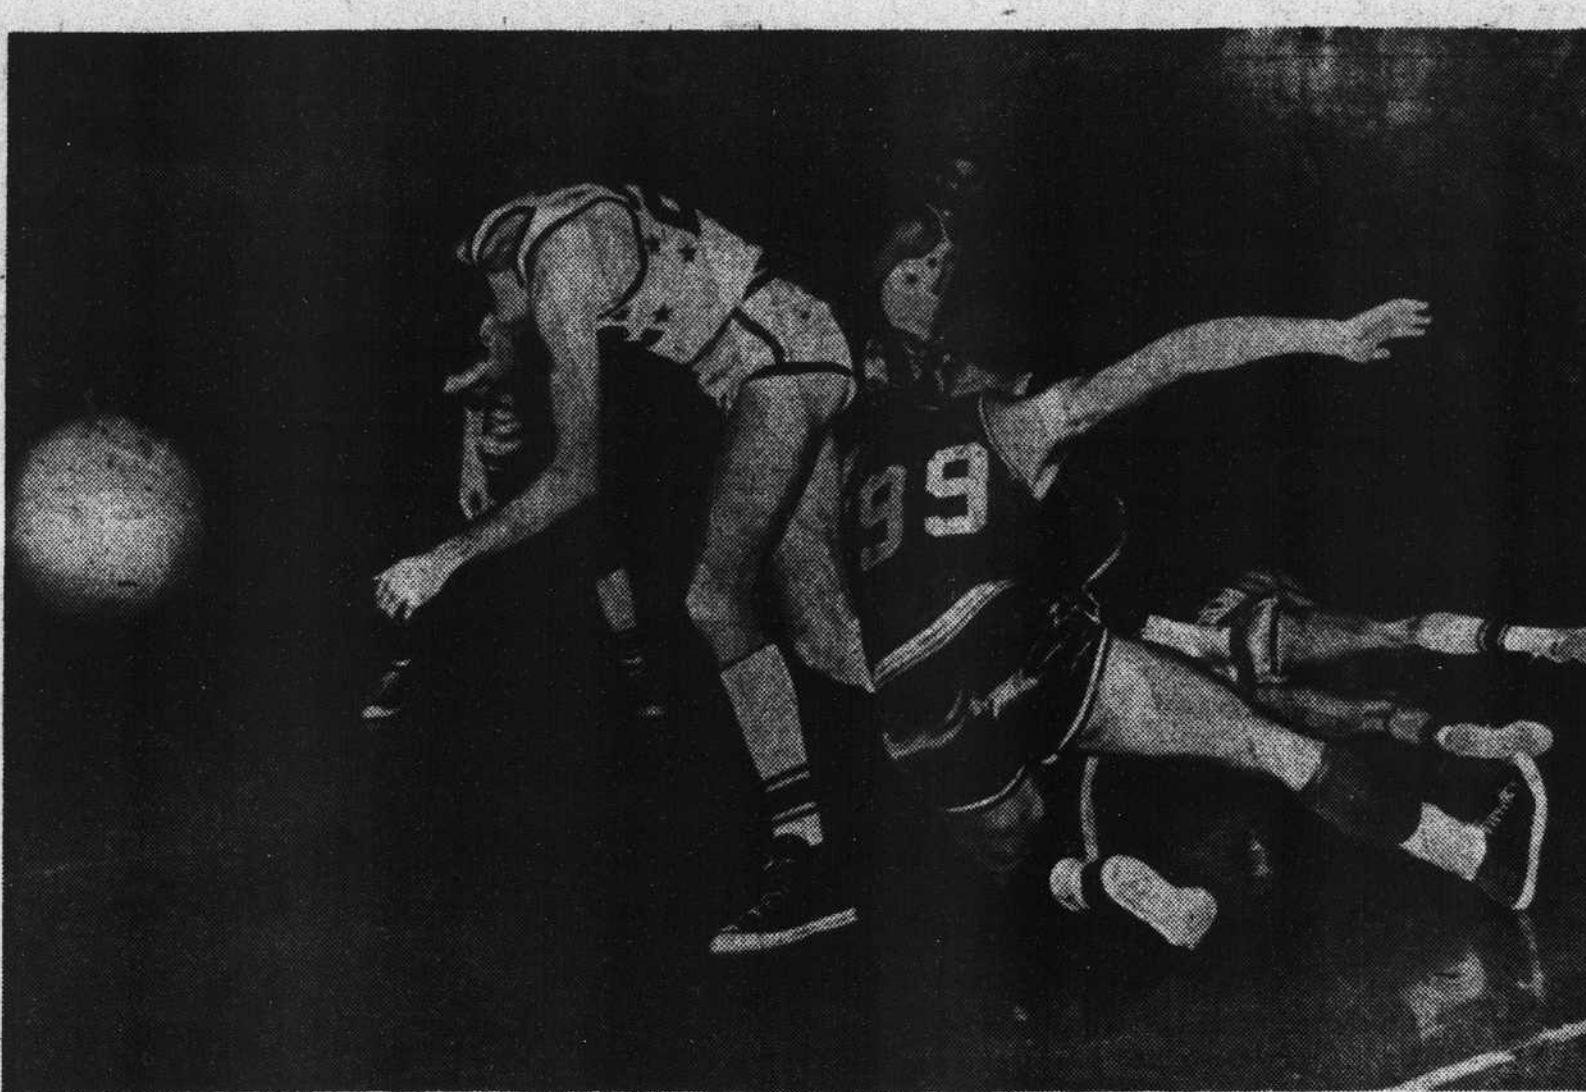

### Jaqure-Eakins Match Added to Wrestle Bill

A 30-minute supporting match between Spanish Jaqure and Big Ike Eakins completes the lineup for tomorrow night's wrestling program at Turner's arena.

The remainder of the card is made up of feature matches: Lord Carlton against the Zebra Kid, Betty Hawkins against Ida May and the team of Leo Jonathan and Roland Meeker against Aldo Boggi and Big Ben Morgan.

### Wolves Lead With Rifle

The Greenbelt Wolves led last night's Maryland Rifle League matches at College Park, beating the Greenbelt Bears, 1-146-1,039. Other scores were Terrapins No. 1 over the Aggies, 1,138-1,124, and Kensington over Greenbelt Lions, 1,116-951.

FOOTBALL TACTICS, BY GEORGE—George Mikan (99), Minneapolis center, clips Easy Ed Macauley, Boston center, as Macauley pursues a loose ball which already has escaped two prone players. The action occurred last night at Boston in the National Basketball Association All-Star game. The East beat the West, 108-91.

## Top-Ranked Kentucky Sets Scoring Record In 110-66 Triumph

By the Associated Press  
In addition to Duquesne, which stopped St. Bonaventure, four other teams in the Nation's top 10 came through with victories last night, but Illinois and Iowa got no closer to settling the Big Ten race.

Iowa, which climbed to the No. 5 spot in the Associated Press poll, used its height advantage to whip Michigan, 82-59, while Illinois trounced Michigan State, 84-62, as Clive Follmer, Irv Bemoras and Bob Peterson combined for 49 points.

The victories left the Hawkeyes and the Illini with identical conference records—seven victories and one defeat.

**Score Record 110 Points.**  
Top-ranked Kentucky, the Nation's highest scoring outfit, with a spot in the NCAA playoffs already assured by reason of its Southeastern Conference championship, rolled over Mississippi State, 110-66.

The 110 points, the third time Kentucky has produced a 100-plus score this season, was a new home record at Lexington. The Wildcats also established a new conference mark with 45 field goals.

Kansas, ranked ninth, kept at the heels of Kansas State in the Big Seven Conference by staving off an Iowa State bid for a 55-50 victory. The Jayhawks played most of the second half without big Clyde Lovellette, who fouled out early in the third period after scoring 13 points.

Seton Hall's 12th-ranked Pirates turned on all its offensive power in downing Villanova 85-61, with Walter Dukes scoring 25 points, two more than Villanova's high-counting Larry Hennessey.

William and Mary, battling for a spot in the Southern Conference tournament, kept its hopes alive with an 89-75 decision over Washington and Lee.

The only stumbling block remaining in Kentucky's path appears to be De Paul, whom the Wildcats meet in the Chicago Stadium February 23. Early in the season Kentucky swamped De Paul, 98-60.

The same teams that graced the top 10 a week ago remained in the select group, although some positions were switched.

### Joe DiMaggio to Make Home in Los Angeles

By the Associated Press  
LOS ANGELES, Feb. 12.—Joe DiMaggio is quitting San Francisco to make his home here.

"Since mom died I don't have the ties in San Francisco that I used to have," Joe told friends, "and it's pretty difficult to beat the climate down here."

DiMaggio has another reason for moving here. His son, Joe, Jr., attends Black-Foxe Military Academy and plans to remain there for several years.

### Pistons Get Eddie Man in Trade With Hawks

By the Associated Press  
BOSTON, Feb. 12.—The Fort Wayne Pistons of the National Basketball Association have acquired Eddie Man from the Milwaukee Hawks for Art Burris and an undisclosed amount of cash.

The 6-foot-2 Eddie Man is a University of Illinois alumnus. Burris, a 6-5 forward, is a graduate of the University of Tennessee.

## Auto Mishap Helps Lew Malitz Reach New Heights as Bowler

By Rod Thomas  
Lew Malitz, head usher at Griffith Stadium and sports goods salesman, will be the defending champion in the Vernon Graves Memorial Handicap Sunday at the Petworth Bowling Center and, for a singular reason, believes he will win again or at least land high in the payoff.

Back in November, Malitz thought he might be through for the season. An auto accident left him with five broken ribs and other injuries that shelved him for six weeks.

In late December, he returned to the maples, with apprehension. His bowling wasn't up to standard, but good enough, considering.

Then suddenly he "caught fire." He became a better bowler than he ever hoped to be.

**Sears to Best Average.**  
During the last several weeks Malitz has rolled 28 games in league and tournament competition and averaged 132-5, some 12 points above his former pace.

"I feel," he said today, "as though I could keep on shooting like that indefinitely. Something's happened to me. Maybe I've just found myself. Perhaps the accident—that long rest—figures in it. I catch myself feeling

## CU Ringmen Pointing For CCNY Saturday

Eddie LaFond, who began pointing his Catholic University boxing squad for Saturday's match here with City College of New York with a light workout yesterday, is sure his boys took a licking from the 1952 Eastern intercollegiate champs when they bowed to Syracuse, 7-1, Saturday night.

The CU coach has no line on CCNY, but he's sure the Laverne mittmen will be no tougher than the Orangemen.

"Johnny Cronin and Joe Incarnato put up good fights," Eddie said, referring to his 132 and 139 pounders, "but they were a little short. Roy (Roy Simmons, Syracuse coach) had one of the snarpest and best-drilled teams I've seen in a long time."

LaFond wasn't sure Syracuse would have beaten Pete Larsen in the heavyweight class, but Pete couldn't fight because of a cut eye. He was accidentally butted in the Penn State match last week, but is expected to be ready to face CCNY.

The Cardinals are working out on staggered schedule this week, as lab periods prevent the entire squad from getting together at the same time. Cliff Sisler, 175-pounder, worked last night after the CU-Virginia basketball game.

### Saddler to Battle Savoie

MONTREAL, Feb. 12 (P).—Sandy Saddler, world featherweight champion from New York, will meet Armand Savoie, Canadian lightweight champion, here March 3, it was announced yesterday. It will be Saddler's first fight in Montreal.

### TACKLE FISHING By "Salty" Mills

Now, more than ever, should be the time for the Sportsman to use their efforts in getting the Rock (Striped Bass) proclaimed a "game fish."

Every day, in every way, the supply is being depleted in the Bay. It won't be long before the local Anglers will be talking about the "days back" when we had Rock.

Don't wait until it's too late. Act now. Get your local organizations to start the ball rolling. The West Coast never had any Rock until we transplanted a few there. Now, they have more "Stripers" than you can shake a rod at.

Why? These fish are declared a "game fish" and commercial netters can't touch them legally. I only hope I can warn you all in time. Rules and restrictions won't help. Make Rock a "Game fish" and you will preserve the American sporting spirit forever. Buy your tackle from FISHERMEN, not salesmen, at Mills Co., 9th & E. Sts. N.W.

## Arizin Presses Mikan For NBA Scoring Lead After Recent Spurt

By the Associated Press  
NEW YORK, Feb. 12.—A brilliant scoring display by Philadelphia's Paul Arizin has enabled the Warriors' sophomore sensation to slice George Mikan's lead in the National Basketball Association's individual point-production race to 51 points.

Last week the Minneapolis Lakers' pivot ace owned a 122-point bulge on Arizin and seemed a virtual certainty to annex his fifth straight scoring title. During the week, however, Arizin netted 135 markers in five games.

Mikan has caged 1,202 points for a 24.5 average, while Arizin has racked up 1,151 tallies at the rate of 24 per game.

The Philadelphia star also demonstrated his free-throw marksmanship by sinking 17 foul shots in a row against Syracuse last Friday to establish a league record.

Boston's Ed Macauley still is the league's foremost field-goal shooter, having connected on 45 per cent of his attempts. Bobby Wanzer of Rochester has been accurate on 90.9 per cent of his foul tries to top this department.

Dolph Schayes of Syracuse currently sidelined with a wrist injury, paces the rebound leaders with 686 grabs and Philadelphia's Andy Phillip heads the assists column with 364 scoring sets.

### Terps Eye Fourth Mat Win In Johns Hopkins Clash

The University of Maryland's wrestling team will be host to Johns Hopkins tomorrow night at Ritchie Coliseum at 8 o'clock. The Terps will be seeking their fourth win in six outings.

Two of Maryland's wrestlers, Ernie Fischer at 167 pounds and Rodney Norris at 137, are undefeated and Fischer particularly is regarded as a good Olympics prospect. He has won 32 straight matches, including those in high school and as a freshman.

Tomorrow night's match will be the 10th in a series between Maryland and Hopkins. Maryland has a 7-2 edge, including last year's 24-10 victory. The tentative Maryland lineup (this year's worst record in parentheses):

123 pounds, Richard Crowley (1-2); 130, Matt Flynn (2-2); 137, Rodney Norris (4-0); 147, Joel Adleberg (2-1); 157, Bob Fischer (3-1); 167, Ernie Fischer (4-0); 177, Jack Shanahan (1-2); 187, heavyweight, Carl Evers (2-3).

### Howard Basketers Bow To Johnson C. Smith

## NCAA Group Planning Survey of Pressures Of Post-Season Play

By the Associated Press  
CHICAGO, Feb. 12.—The scope and financing of an extensive NCAA-wide survey of post-season competition is being studied today by the Executive Committee of the National Collegiate Athletic Association.

The survey will be made by the NCAA Extra-Events Committee, especially of bowl football games. The NCAA has ruled that no new contractual agreements on bowl games can be made during 1952 while the survey is in progress.

The survey primarily will be made to determine the degree of athletic pressure which give rise to subsidization and recruiting developed by post-season contests. These contests not only include football bowl games, but also NCAA championships in basketball, track and other sports.

The Extra-Events Committee is to recommend appropriate legislative action to the NCAA convention next January.

Asa S. Bushnell, commissioner of the Eastern College Athletic Conference, yesterday was named director of the NCAA 1952 directed television program.

The new program, which eventually must be submitted for approval vote of the entire NCAA membership, still is in the formative stages.

Before it can be definitely mapped a study of last fall's experimental TV program must be completed by the National Opinion Research Center.

Bushnell, who program when it is adopted, succeeds Edwin Reynolds of New York, a specialist hired last year to direct the 1951 TV program.

## Manor Club to Build \$15,000 Locker Room As Interim Quarters

Manor Country Club's Board of Governors last night approved plans for immediate construction of a \$15,000 temporary locker room and grill, to be located between the swimming pool and servants' quarters.

The board also studied suggestions for replacing the clubhouse that was virtually destroyed in a \$175,000 fire January 27. It expects to make an announcement within a few days.

The temporary structure will be completed in 20 working days and will be started as soon as permits have been cleared. It will be a one-story brick building with locker rooms, showers, etc., for men and women and a bar and grill. The lockers will be available on a daily basis.

The Board of Governors did not receive a single member resignation because of the fire. Not only has there been more golf play than in any February for several years, but a crowd that would have overflowed the old club turned out for the dance in the "old barn" last Saturday night.

## Mark Workman Tops Conference Scorers

West Virginia's Mark Workman scored 36 points against Richmond last night to take the Southern Conference scoring lead over Duke's Dick Groat.

Workman now has 283 points and a 28.3 average to Groat's 275 points and a 27.5 mark. Each has played 10 conference games. Groat plays against NC State tonight and will have an opportunity to regain the lead.

Workman played 35 minutes before he fouled out against the Spiders.

The Mountaineers tied NC State for the conference lead with their 87-55 triumph. In the only other conference game last night William and Mary defeated Washington and Lee, 80-75, for a 7-5 record, and in its four remaining conference games plays three soft touches.

## Marciano and Savold Rest on Fight Eve

By the Associated Press

Marciano, kayo winner over Joe Louis, is expected to weigh 187 when he steps on the scales at the Pennsylvania Athletic Commission tomorrow. The Brockton, Mass., puncher is a leading contender for the title once held by Louis.

Savold, who hails from Paterson, N. J., is expected to weigh 185.

A crowd of about 13,000 is expected to pay \$90,000 to see the fight, which will be televised and broadcast nationally.

## Three Ineligible at De Paul

CHICAGO, Feb. 12 (P).—Three De Paul players have been declared scholastically ineligible. They are Ray Caplis, sixth highest scorer on the team with 120 points in 20 games, and reserves Earl Wylder and Bob Wolf.
